BOOK SYNOPSIS

It began with the breathtaking DAUGHTER OF SMOKE AND BONE... This November, the story continues in the astounding, must-read sequel, DAYS OF BLOOD AND STARLIGHT Once upon a time, an angel and a devil fell in love and dared to imagine a new way of living - one without massacres and torn throats and bonfires of the fallen, without revenants or bastard armies or children ripped from their mothers arms to take their turn in the killing and dying. Once, the lovers lay entwined in the moons secret temple and dreamed of a world that was a like a jewel-box without a jewel - a paradise waiting for them to find it and fill it with their happiness. This was not that world.
