BOOK SYNOPSIS

Although not the fastest or the most powerful Ferrari, the beautiful lines of the Dino have inspired generations of enthusiasts. This book covers the full story of the Dino, from Pininfarina concept car through to the final production model, illustrated throughout with contemporary material. The book features THE definitive record of the little V6 Ferrari and its Fiat sibling Dino, named after Enzos son. It contains full year-by-year coverage of production models with the American and European markets covered in great detail. There are over 250 contemporary photos, mainly in color, along with ontemporary advertising and brochures.
