BOOK SYNOPSIS

Excerpt from How to Build and Operate a Mobile-Home Park The mobile-homes industry is comparatively young. It is essentially an outgrowth of the camping-trailer industry which prevailed during the early thirties. As a mobile-home industry it has faced growing pains and the need for adequate standards and planning. Much of this need has been in the field of the trailer park, known today as the mobile home park. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
