BOOK SYNOPSIS

Like many struggling students, you're convinced there's nothing you can do to improve test-taking strategies or avoid the embarrassment of retaking a class. D. Barnes guides those who struggle with studying and passing tests into test-taking experts. She knows exactly what it takes to transform your study skills, boost your test-taking confidence and ace any exam. She has test-taking tips for people returning to school after years in the work force, high school students, college students, etc. Through comprehensive test-taking pointers and specific study guidance, you'll learn how to prepare for a test the right way and how to become a great student.
