## BOOK SYNOPSIS

ONE LITTLE LIE. A WHOLE LOTTA TROUBLE. Moments after meeting the most gorgeous guy ever, Gabby Winters promptly gets stung by a zillion yellowjackets and falls-not gracefully-into a stream. Yup, Ethan Hunter is trouble with a capital "hot," and Gabby definitely needs to keep her distance. Except in the small town of Haven, theres nowhere to hide from Ethans sexy, infectious grin . . . and all the residents are conspiring against her. At the center of the towns matchmaking is Ethans grandmother, whos convinced their relationship is a done deal. Rather than break her heart, Gabby and Ethan find themselves cornered into pretending to be falling in love. The problem: theres serious sizzling attraction between them. And if this charade continues, they wont fool just the entire town - they might fool themselves too . . .
