BOOK SYNOPSIS

"I Do...For Now." She might be the last twenty-nine-year-old virgin in Greece, but Melina Kostos did not need her overprotective father and brothers handpicking her husband! So when American businessman and single dad Adam Blake proposed a convenient marriage on her terms, she accepted. By Zeus, their bargain gave her everything she wanted: a gold band, a little girl to love and a green card. So why wasn't it enough? Because Melina wanted to break her no-touching-in-private rule and make her husband her first. Because she didn't want to be just a child's friend, she wanted to have Adam's babies. Because she wanted the whole thing—big fat Greek wedding and all!
